Kia ora from the Principal

Kia ora everyone. Thank you to our families and community for your support this term. We have faced some challenges and will continue to work together to provide a fun, exciting learning programme with many options for our learners. Highlights, these past 2 weeks have been: cricket skills development and a coaching clinic in Whitianga, community connection for Room 3 and Pauanui Preschool, Keeping Ourselves Safe with Constable Brian and our awesome Triathlon! Lots of cool learning that connects with our community. We are looking forward to connecting with Opoutere School next term with leadership groups and school exchange for kapa haka and adventure school learning. We

have our collaborative Reading sessions up and running with Mr T and Mrs Ball. Special thanks to Raewyn Rosie, Christine Minehold and Kelsey O for their time at Reading Club this term, helping our readers improve their skills. If you would like to join this team, please email Michelle. Have a relaxing holiday and see you next term.

Ngā mihi, Rachell

Fundraising Update:

Due to a crazy start to the year, our Easter Raffle has moved to Term 2 and will become the Matariki Raffle. This will give us more time to prepare and sell our tickets.

!! SPONSOR SPOTLIGHT !! a HUGE thank you to @stormscontractingcoromandel for their support again this year coming to the party with \$500 for our Heaviest Pig category. We want to thank the Storms Contracting crew for your continued support but we also want to thank you for the hard mahi you have been doing to clear and keep our roads safe, especially after 🌧️ Gabby came for a visit! We appreciate you guys!

Cricket Moments

Room 5 travelled to Whitianga last Wednesday to take part in a cricket coaching clinic. We were scared at first and some of us wanted to go home but we used our resilience skills and gave it a go! We developed our skills during the course of the day and left feeling better about our skills and teamwork. Well done Room 5 team!

Room 3 Pauanui Preschool visit

Room 3 went visiting last week to reconnect with our neighbours. It was so lovely to catch up with Monique and the team and meet new faces. We had a lot of new people in Room 3 who were visiting for the first time too.

Room 4 - Triathlon Success!

A huge thank you to Room 4 and Mr T for the triathlon idea and planning! The event was a great success with everyone giving it a go and having fun. We loved watching you all challenge yourselves and build resilience. What a great event to develop for the future- Tu Ake Tu Kaha Hikuai school!

Congratulations to all our participants.

Well done to:

Room 3 2nd: Kayden and Devvon

Room 3 1st: Chloe and Hunter

Room 4 2nd: Evie and Tieg

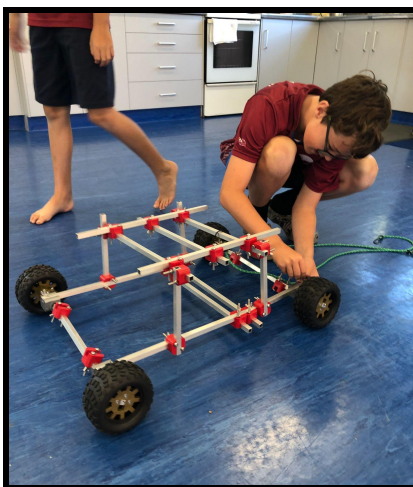

Room 4 1st: Brooklyn and Hawk

Room 5 2nd: Monica and Regan

Room 5 1st: Cassidy and Chase

Room 5, week 9

Room 5 all got extra technology on Friday with the Choc Chip take 2 session. The team used a new recipe and the results were way better than last time! Turns out brown sugar and egg along with baking soda, not powder, make a huge difference.

Room 5 also had an EPro8

session time in preparation for the competition next term. Great efforts were made with design, plan and build.
