Kia ora from the Principal

Kia ora everyone. Thank you for a full year of learning here at school. We know it takes a team to help our learners make the progress they need each year and wish to acknowledge all our volunteers who have given their time both in the classroom and beyond.

Special thanks to:

Damian J for Bush skills, Raewyn, Christine, Ange and Sequoia for volunteer Teacher aid support.

Sam T for music, Jarred for composting talks, Katie for art, Paul Schrader for Photography and Mark A for technology.

Plans are already in place for 2024 and we are getting excited about the Senior Pinnacles trip and Life Education Trust visits. We have swimming, triathlon and summer sports on the sports overview along with inter school events for these sports. Have a safe and happy holiday and Meri Kirihimete!

Pet Day Fun!

Thank you to all our pets and their owners who came to Pet Day 2023. We loved hosting our families, furry friends and one gold fish! The pets were all very well behaved and It was fun having a look at them all. Our pupils and invited families very much appreciated watching the dog trials and enjoying how well our canine family members followed directions , going through tunnels and trying to cross that bridge! You can see by the smiling faces that both pets and owners had the best of times! Our farm animal section, although small included 3 lambs and a horse. It was great to see how well behaved

Pauanui Trail!

Room 4 had an amazing day on Thursday conquering the Pauanui Trail. This as part of our Local Camp. The day was warm and sunny enough to swim but not get too burnt! These photos were of our walk in. earlier that morning we pitched our tents on the field and were very excited to be staying the night at school. Our parents were very excited to be staying with us... :)

Photography Field Trip

Room 5 loved our photography field trip last Friday to the Puketui Track water fall. The day was not as sunny as we had hoped however **Paul Schrader**, our tutor, told us that actually overcast conditions were better for what we were doing as too much reflection is not good for water shots. We loved learning how to use the lens focus and finding material that interested us for our photos. A huge thanks to Paul for his time and expertise. This week, we are learning how to edit our photos!
